DIGITAL LITERACY

1 WHAT IS DIGITAL LITERACY?

Digital literacy means the ability to use digital devices, the internet, and online platforms safely, responsibly, and effectively for learning, communication, and problem-solving.

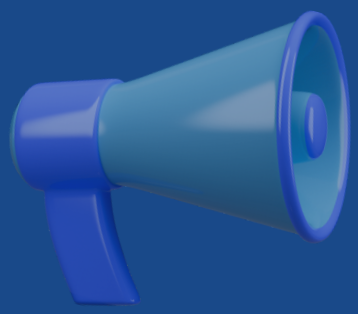
- Helps students access information quickly
- Supports online learning and research
- Improvs communication through digital platforms
- Encourages responsible internet behaviour

2 USEFUL DIGITAL TOOLS FOR STUDENTS

- Google Docs – create and share assignments easily
- Google Drive – store and access files anywhere
- GitHub – manage and showcase technical projects
- Canva – create presentations, posters, and resumes
- Google Meet / Zoom – attend online classes and meetings

3 SAFE INTERNET PRACTICES

- Create strong and unique passwords
- Never share OTP, passwords, or personal details
- Avoid clicking suspicious links or emails
- Enable privacy settings on social media accounts
- Log out from shared/public computers

4 PROFESSIONAL ONLINE PRESENCE


- Create a professional LinkedIn profile
- Use a clear and formal profile picture
- Share achievements and academic projects
- Maintain respectful communication online
- Avoid posting harmful or misleading content
